

# Graticciaia Agricole Vallone

## Apulië - Italië

The flagship wine of the Agricole Vallone estate, Graticciaia is the celebration of the magisterial complexity of the magnificent Salento grape variety, the negroamaro, and, as its name clearly indicates, it is a unique wine produced from loft-dried red grapes. Grapes grown on the Tenuta Flaminio are meticulously graded and selected, dried on mats in the exceptional Castel Serranova microclimate, carefully vinified, and then matured slowly in wood. The result is a massive, generous, and opulent wine, one that appeals with seductive elegance and flavours, a wine of rich, ultra-ripe fruit.

### Druivenrassen

100% Negroamaro
